Dear Littleton Shoppers

Welcome to the first annual Littleton Business Association (LBA) Holiday shopping guide. The LBA created this guide to help Littleton shoppers identify opportunities to patronize local merchants over the holidays.

Localism is about building communities that are healthier and more sustainable – backed by local economies that are stronger and more resilient. It means using regional resources to meet our needs – connecting consumers with farmers, investors with entrepreneurs, and business owners with individuals in the communities on which they depend. It recognizes that none of us can do it alone and that we are all better off, as they say, “a rising tide lifts all boats”

With local ownership comes local accountability; when you live in the community where your business decisions are felt, you have the understanding to make better decisions. Having a larger density of locally owned businesses results in higher per capita income, more jobs, and greater resiliency in the local economy. More people living their vocation, with meaning and purpose, is good for all of us.

We hope you enjoy shopping in the Town of Littleton. Our members and every business in Littleton appreciate the opportunity to serve you this holiday season and throughout the year. Thank you again for your support and generosity.

Best Regards

James Kennedy
Littleton Business Association, President
We are your neighbors - Keep it Local!

Littleton High School was recently awarded gold medal status through U.S. News and World Report, which ranks the effectiveness of high schools across our nation.

BERKSHIRE HATHAWAY

HomeServices

N.E. Prime Properties

Once upon a time, real estate was thought to slow down as the New Year approached, giving way to hot cocoa and flurries of snow. These days, we know better, and when winter comes around, it's also the time to buy or sell your house. So, grab your mug, sit down by a fire and find out why now is the season of homes for the holidays:

- Twinkling with holiday lights, your house will shine bright to eager buyers looking for their perfect home.
- Temperature isn't the only thing dropping this winter; mortgage rates are near historic lows.
- Homes are new beginnings for buyers and sellers. When the clock strikes midnight on New Year's Eve, sellers will want to start fresh and buyers will want to be all settled into their new home.
- Tax benefits are the ultimate holiday gifts for both buyers and sellers who close before the end of the year. (See your tax advisor for more details and the best advice to take advantage of a transaction that takes place before December 31.)
- Serious buyers are out looking. Your home won't be subject to casual window shoppers (they're too busy at the mall or on their computer searching for holiday gifts).
- Buyers have extra time off from work, which means more hours in their day to search for a home.
- You can increase your relocation business. January is typically the month when employees are transferred to new positions. To capture these buyers, your home must be on the market now because they often can't wait until spring.

The Littleton Babe Ruth team won the Minute Man Babe Ruth League regular season title undefeated with a record of 12-0 and won the play-offs to finish champions with an overall record of 16-0. - Nice Job!!!

Register Online Now!

2016
Season

Littleton Youth Baseball and Softball

Registration for the 2016 season has opened at www.littletonbaseball.org. We urge you to register now before the deadline dates in order to help with season planning and avoid late fees. The deadline for all leagues is February 27th, 2016.

All registration and league details are provided on the LYBS website including contact information for the Board members. Please do not hesitate to contact league coordinators with your questions, concerns or suggestions.

We need your help to run and grow this program. Please consider volunteering your time to coach, manage an event or help in any other way.

THANK YOU!

LITTLETON ATHLETIC BOOSTER ASSOCIATION

Littleton Athletic Booster Association is a non-profit fundraising organization formed solely to raise funds to help support the needs of Middle School and High School athletic programs. As with many school athletic programs, Littleton has suffered the effects of financial cutbacks within the school budget and the Boosters help make up for that shortfall.

Tiger Pride

To show your Tiger Pride while supporting LABA and the athletes purchase your Littleton gear with us at the Annual Holiday Bazaar on Saturday December 5, 2015. Merchandise includes:

Sweatshirts

T-shirts

Scarfs

Pom-Pom Hats

Baseball Caps

Tiger Paw Decals

and more!!

If you cannot make the Bazaar please feel free to email LABA president Denise Moniz dmoniz1102@msn.com to arrange a time to view merchandise and place an order.

LABA thanks you in advance for your support!!

GO TIGERS!!

The Littleton Rotary hosts the Annual Holiday Bazaar - a great way to connect and meet with other residents of the community and find great gifts for the holiday season.

Admission to the Bazaar is free.

Littleton's Tree Lighting on the Common is co-sponsored by the Littleton Rotary Club and the LELWD. This year it is on Sunday, December 6 th at 4:30PM.

978-952-2500

The Area's Leader in Hearing Healthcare

Megan D. Ford, Au.D. is a licensed audiologist in practice since 1998. Before opening her own practice she worked at several major medical centers in Boston, Cleveland and Worcester. She founded Hear My Dreams support group, served as Assistant Director of the cochlear implant program at University Hospitals of Cleveland and is actively involved in her community. Dr. Ford received the Doctor of Audiology degree from Salus University as well as a Master of

Arts degree from University of Pittsburgh. She is Adjunct Faculty at Northeastern University and has lectured at numerous conferences across the country. She has served on the Public Relations Committee and is a fellow of the American Academy of Audiology. She has extensive experience in both pediatric and adult audiology, with particular areas of interest in hearing aid technology, cochlear implants and hearing conservation for musicians. As an audiologist, she is trained to identify medical conditions related to hearing loss and when needed, she refers to the area's most trusted Ear, Nose and Throat specialists. She opened her own practice, HearSmart Audiology, in 2013 in order to bring her expertise to the community and make it easier for patients to access high quality audiology health care.

Cub Scout Adventures

Littleton Cub Scout Pack 21 is one of two Packs in town. Cub Scouting is for boys in grades 1-5 or ages 7-10 and is all about learning new skills through fun activities, trips, and adventures. The Cub Scouting program promotes learning, health, and participatory citizenship. Think of cub scouts as “fun with a purpose.”

In the past 6 months Pack 21 participated in some noteworthy adventures that represent some of these attributes.

In May they toured a US Army Corps of Engineers’ dam site – Tully Lake Dam in Royalston, MA and did a 4.5 mile hike around Tully Lake. That night they camped in tents at the adjacent campground and then kayaked/canoed on the lake the following day. In June, the boys had their big outing of the year – a

weekend exploring the largest collection of Navy vessels in the US at Battleship Cove in Fall River, MA where they slept overnight on the USS Massachusetts WWII era battleship.

Over the summer many of the boys spent a week at our own campground – Camp Split Rock in Ashburnham, MA. There the boys can swim, hike, canoe, climb, and shoot arrow and bb guns (supervised of course).

In September, the Pack welcomed Rick Roth’s Creature Teachers to their first pack meeting of the school year. The scouts and their siblings were able to see and touch some exotic animals such as a python, a tortoise, a chameleon, a ferret, a tree frog, an armadillo, and a caiman (a type of mini-alligator from South America). That same weekend the scouts and their families did a nature hike at Mass Audubon’s Rocky Hill Wildlife Sanctuary in Groton where the kids did a nature scavenger hunt and looked for signs of animal activity like paw prints and animal lodgings.

On Columbus Day a total of 38 scouts, siblings and parents ventured to Chamberlain Farm in Berkeley, Massachusetts where they were able to witness the cranberry harvest up-close and learn about farming and the history of cranberry growing in Massachusetts. While there they enjoyed a hay ride, gathered pumpkins, picked their own cranberries, and explored a corn maze. At the end everyone enjoyed cranberry juice and some homemade cookies.

The Pack is organized by dens based upon their age/grade. The dens each meet a few times a month where they work on activities and advancement. The Pack meets monthly where they do a variety of games and activities and recognize accomplishments. Family members (including sisters!) are always welcome at our pack meetings.

Some noteworthy upcoming activities include:

- November: Space Derby pack meeting
- December: Music pack meeting- make and explore musical instruments
- January: Building challenge pack meeting and a cross country ski / ice skating outing
- February: Annual winter cabin campout at Camp Split Rock and later that month - Indoor Rock Climbing
- March: Annual pinewood derby racing and our big adventure for the year: sleepover at the Franklin Park Zoo
- April: Carnival-themed pack meeting
- May: camping and participation in the Memorial Day parade
- June: graduation and cookout

Please Join Us In Celebrating Small Business Saturday®!

Held the first Saturday after Thanksgiving, this year's fifth annual Small Business Saturday® is November 28, 2015. Small Business Saturday® was created in 2010 to support small businesses that create jobs and boost local economies. Small businesses have generated two out of every three net new jobs over the past 15 years and employ over half of all private sector employees.

"Small businesses are the foundation of our economy – half of America's workers either own or work for a small business. Small Business Saturday® is an opportunity to show our support for our friends and neighbors who throughout the year are growing our local economy, as well as supporting many local initiatives and organizations."

James P. Kennedy
Founder and President of the
Littleton Business Association and
MBA Team

James founded the Littleton Business Association after realizing that there was no strong advocate for local businesses in town. Subsequent to meeting with several local focus groups of Littleton Business owners, the LBA was born as an advocacy non-profit organization committed to facilitating a robust and vibrant business climate in Littleton that not only serves the interests of its members but also serves to better the community at-large.

James is also the founder and president of MBA Team, Inc., a marketing consulting and web design firm serving small and medium size business for over a decade. He not only provides the company's marketing strategy and vision for its value building methodology, but is also actively involved with client programs. James has personally planned and executed successful marketing campaigns for numerous corporate and institutional clients. Before founding MBA Team, Inc., James established his reputation as a marketing and sales expert in both high tech and management consulting environments. MBA Team, Inc.'s list of clients include Harvard Medical School, Con Edison and Honeywell, as well as several local companies.

In his spare time, James actively volunteers as a Littleton Rotarian, and serves as the Head Coach and Director of Littleton Youth Wrestling. In his youth, James was a standout in the sport of wrestling as a Massachusetts State and New England Champion. He earned recognition as an Academic All American in both High School and Collegiate wrestling. James now supports the sport of wrestling by serving on the Board of Directors for the Massachusetts Youth Wrestling Association where he strives to improve both participation and competition in Massachusetts Youth Wrestling.

MBA Team, Inc. is a full-service public relations, internet marketing and design firm. We help you evolve and adopt strategies to meet the changing marketplace. Our mission is to provide clients with the highest level of marketing support and solutions designed to improve sales results, generate strong brand awareness, increase customer loyalty, and tell your unique story in the most provocative ways possible.

At MBA Team, we integrate traditional PR, professional writing, SEO services, social media, branding and marketing strategies with new technologies and digital media for a comprehensive hands on approach to digital age marketing, web design and communications. MBA Team produces successful campaigns that simultaneously enhance your reputation, support your business goals and deliver that increasingly important competitive edge.

Town of Littleton Update: Selectmen's Goals for FY 2016

The Littleton Board of Selectmen has adopted a comprehensive set of goals for Fiscal Year 2016, including the following:

- Master Plan Update - Launch the updating of Littleton's Master Plan in coordination with the Planning Board. Goal includes implementing the housing production plan, and submitting the open space/recreation plan and Green Communities application for state approval.
- Economic Development / Marketing Plan. Develop an economic development marketing plan, which leverages local economic sector strengths, regional assets, encourages innovation and entrepreneurship, and markets Littleton to promote economic development consistent with community character.
- Transportation/ Commuter Rail - Plan for shuttles, enhanced train schedule when Fitchburg commuter rail line upgrades are completed later this year. Support the CrossTown Connect transportation management association (see below) through Community Compact with Baker / Polito Administration to better link where employees live with where they work. Expand parking for Littleton MBTA commuter rail station.
- Roadway Improvements Plan / Complete Streets – Review and update the ten-year roadway improvement plan; seek certification and funding under state's Complete Streets program.
- Elder/human services needs assessment - Review results of the elder and human services needs assessment and develop an implementation plan.
- Public Safety Strategic Plans – Develop five-year strategic plans for Police and Fire/ EMS departments, including staffing and facility requirements.
- Long Range Fiscal Plan – Review the Finance team's long-range fiscal plan; revise, update financial policies with Finance Committee; mindful of the Town's AAA bond rating by the Standard & Poor's bond rating agency. Develop Blended Community Preservation Act Long-range Plan with FinCom and Community Preservation Committee.

Three of these goals—transportation, economic development, and public safety—are “best practices” the Town of Littleton has agreed to pursue as part of its Community Compact with the Baker/Polito Administration, signed by Lt. Governor Karyn Polito on September 3, 2015.

The Towns of Acton, Boxborough, Littleton, Maynard and Westford, working together and with private sector partners including IBM, Red Hat, Juniper Networks, the Guitierrez Co., and Saracen Properties (Mill and Main), have established the CrossTown Connect Transportation Management Association to expand transportation opportunities which promote economic development in the Route 2 / I-495 technology corridor, including so-called first mile / last mile / reverse commute issues. The International City/County Management Association (ICMA) has recognized the CrossTown Connect initiative with a Local Government Excellence Award for Community Partnership, presented at ICMA's 2015 annual conference in Seattle, WA.
